

# KOOZA

## Cirque du Soleil

September 14, 2008

Transportation from Marlborough, MA  
and Newton, MA

**Laughter!!! Acrobatics!!! Heartfelt Emotion!!!**

Please join me for a wonderful afternoon, lost in the world of Cirque du Soleil. **KOOZA** is a return to the origins of Cirque du Soleil; it combines two circus traditions — acrobatic performance and the art of clowning. The show highlights the physical demands of human performance in all its splendor and fragility, presented in a colorful mélange that emphasizes bold slapstick humor.
